Select Request Type					
Request Type	Description			Required Documents	
<input type="checkbox"/> Add Cardholder(s)	Existing company wants to add another cardholder to their existing Small Business account Account will be closed on TSYS once cards on DXC cards are activated. Account Balance/Rewards Points will be transferred from TSYS platform to DXC platform automatically. Example: Chris Cash has an account/card for his business Cash Taxidermy. Chris wants to add his wife to his account and have two cards.			Small Business Update Form New/Fully Completed Business Card Application and Agreement	
<input type="checkbox"/> Cardholder Change	Existing company wants to remove the current cardholder and replace them with a new cardholder. Example: Susie Smith is the current owner/cardholder. She wants her Secretary Bob Brown to take over her card/office supply shopping. Susie's card would be status/inactivated and a new card for Bob would be created/mailed.			Small Business Update Form New/Fully Completed Small Business Credit Card Application	
<input type="checkbox"/> Business Name Change	Existing company wants to update their current business name to a new business name Example: ABC Textiles is renaming as The Quilting Corner.			Small Business Update Form New/Fully Completed Small Business New Account Packet	
<input type="checkbox"/> Ownership Change	Existing company is selling company to a new owner and new owner is taking liability for existing account/account balance Example: Joe Jones is selling his business to Kelly Brown. Credit card account balance is apart of the sale terms.			Small Business Update Form New/Fully Completed Small Business New Account Packet
